

Now everybody be my friend
Don't need to be no money sent
I'll find women soft and low
She'll make the word we all should know
and do some
La, La, La, La

I got 22 hours until I'm out again and I really can't wait. The outside is really a gas especially when you're removed from it still don't know what I'm going to do tonight.

I just signed a Title 19 application, seems like a straight enough document and should do me no harm.

OUT! ma drove me out to Northridge and I bought some oil 4 for a dollar at Sears and got some cigarettes and stogies at Walgreens. Don't know what the night holds in store yet, should get me some fun somewhere.

Friday night 8:00 and I'm up at the pool hall awaiting SL's deliverance at chess and mine to downtown Milwaukee. Also gotta make a phone call about 10:00 or so about a dinner date. Saw MP at Stand wants to hear some sax Sunday. Sure I'll try it at least.

Feb 17 - Awoke about little after ten and feel real good, trying to get a girl on the phone again to ask for a date. Her little sis say'd she'd call me so I am awaiting least she's interested.

Saturday afternoon that's today, by the way, I copied my poems out of Bk.I and my mom is reading them now

The apartment I visited was beautiful decorated, tasteful and contemporary, really a fine place to live. Hope I can do as well in decorating my places as well.
