

too excited by the day in general.

This is what I'd call a weak day or my energy systems are in a low state. I wish I felt more flying as I will probably wreck my bowling scores.

Birds soar for this reason and antelope run the plain, exultation in release from hell or purgatory, 30 days and the idea about why I never will commit crime hits me, no prize can match such a consequence, to the soul no loss of grace could by a prize equal to this hell, Raskolnikov you were wrong we seek not to be caught, I see a bird die in a cage.

Released - Notebook

"They sent me home with a vial of pills and a head full of hope."

Waking up at home can be a refreshing experience, and I awoke from a funny tornado dream the second I had at 8:00 or time to take my pill.

Festivalization

After seeing the
floats and bands
ritual we walked
to the car the family
and I

we saw the first
whirlwind horror safe
a block away eat cars
digest trees and
thought it over
