

flying boat symphonies

rocked it, the screams

in my ears deafened

ears deafened me

and later she told

me something happened

Pulling in harness

the laghter dies hollow

on walls, balloons

don't deflate they pop

Feb 26 - My first day as an outpatient at the county

and I am getting ready to go beat them at thier own games.

I must go through a new procedure now that I am an outpatient.

I have to check in at the Catchment area and then go to the front desk with this little orangecard to exchange it for a smaller white tag.

Watching the parade

on main street

underground through fog

somebody pulled the firealarm and

i got all wet

Unpurposeful regrets

extended to the

clowns on downsm they're

still so mean unacceptinful

of the promised

vision, they're
