

believed they should be separate entities, but he failed to convince me thoroughly enough yet to make me believe him.

Gym wasn't bad. It got my heart beating. Starting off easy is the best way to start a physical cultur program. I hope it works.

I decided to take another job on as I am exceedingly bored by not doing anything at all all night long.

Feb 28 - I started this day too busy to write. Sat around in the lounge rollin' 'em, really get high on some Jack of Diamonds.

I got a start on my masterpiece in art today, and I am really trying to make it work out so itso it looks like something worthwhile.

I am predicting a poem today, I think I feel one working its way out, It's probably a bad thing to do, i.e. predicting, as it most likely won't develop.

Oh, yes. It hasn't yet developed so I must have jinxed myself, maybe by sending some poems to the B.

Something must
come in time we
trust it will pass
A time you remember
when you were Pharoah
and rode power surge
unafraid and raptured
in the feeling you
strode on ten foot stilts
Or swimming
crowds of people at a
train station you saw
