

Mar 2 - It's 12:15 and first chance I had to write all day is now. I had phy ed class which I worked out in, and photo in which we blew two rolls of film. co ed rec was volleyball, what else?

I was exceedingly tired until 11:00 and then I seemed to recover some of my degenerated physical power so now I'm back at about 8:00 of an average day powerwise, so I hope I'm up for bowling.

SHIT

Ancient lack of hatrack
tricks they put on
the clothes that make
them invisible,
I tried to copy the
mayor's suit, but
it was one off, the
obligation to say hi must
be terrific if you own
a city
Mayors don't usually
get in poms because
they are like presidents
full of a lot of hot air
trying to cover up thier government
And the dignitaries
come around on Sunday
trying not to be insincere
they traded tea and
