went home to bed
And in their dreams designs
are spinning
in thier heads, they'll
skip graft and corruption
and try to fix my head
Exactly why they
are like that anyone
can guess especially
after the newspaper
officially had them blessed

Mar 3 - Got up around ten today in expectations of working at the station, and the money I'll get from it. It's a nice day to start working about 40 or so should not develop any pneumonis right off.

Dad feels I could handle a couple of more days work so I will work at the inventoryplace. Still when I am released I'll have to get a full time job

Mar 4 - Last night was a drag, but heard a decent band at least. Work again. today at the gas station. Time goes really slow there, but for a good cause, i.e. \$.

Work is a funny phenomena, you're there and you hate it you leave and it seems you were never there, least for me. At least the six hours I put in wentfast.

I fell asleep at home about 9:00 and felt little com-
punction to be anywhere. I'm sure there is lots of fine
socializing going on, but what it would avail me is questior
