

who only  
wanted to scream love  
really and one time only please  
And they or we  
believed it and sucked  
up the idea full  
romantic and wailing  
and hard people, that is  
ones which you aren't, don't get to believe  
in nothing  
and still the doctor  
isn't going to believe you  
can buy it and escape  
all the silly involvement

### III

The whole point of  
this is that there is supposedly a thing  
called love  
and you're supposed to  
do something  
about it, that's right  
you're not allowed to  
not accept the  
challenge naming it  
"That's what makes  
poets, boy" they told me
