

Mar 5 - It's raining and really shit out today and feel about the same as the weather. Heard a lot about marital problems today, but felt I knew all about it to start with, i.e. women use sex to manipulate men. So while realizing this 3 million times in an hour discussion I was allowed to hear case histories of such situations. I found them amusing since I never have allowed captive tendencies to develop in any of my romantic situations. But can remember situations I got played into already and got taught how it is to be burned, maybe now I realize manipulation and how others use it, see it, and avoidance of same. A lesson learned well is time spent wisely.

Got some new panys again that's three pairs in the last three weeks, ma and pa are really helping a lot, and I don't believe it. But we usually find some good stuff on sale. TV again tonight and it's getting to be a drag sort of.

Mar 6 - Another shitty day weather-wise, maybe I should just count the good days. But today turned out fine as Dr.R. let me out of this shit Friday and Monday to look for jobs and get my school stuff in order.

I blew up barneydog's picture for mom and dad and the family also in photography class so I got something to show for myself again. This place is good for something.

Mar 7 - A beautiful day - gonna be in the 50s and only a little chance of rain, so guess wo's biking it. Oh yes, the joys of spring spring the the motorcyclists breast. Music therapy was really disorganized , the poor therapist was having fits, as R et al would not respond, she must have been
