

of time place emptiness,
beat up against that
wall, feel your rage, hit
that next bird's mind with a
rush blow, drop your
pants, you are
alive not feeling times
impurity on your soul

My eyelids droop in
official county stupor
I am a drugged animal
searching a corner to crawl to
asky to leap into,
some ground to streak
over, a lake to jump
into, I am slain by walls -
The frightening labyrinth.

Feb-1- Another day in a different vein, I get to try out
a new privilege. 10:00 am O.T. 11:00 get to
try the gym which is really new to me.

I ran to the cafeteria for some exercise, Normally
the whole ward is admitted as a whole but being there
early I was let in singly.

There is a girl in restraints here on the
ward, she is extremely cute and petite. I don't know what
she did, but I know what she is going through.

Phy ed was coed as promised we played volleyball,
and later I worked out solo in an absolutely beautiful
