

Configurationless
unfixated, head on,
unloving unhatin
amoral morality
cinemascope righteous
meeting, something
you don't find,
you can't win you
can't lose any game
you were to chose

III

You say the word
friend twice and you
have a dog

.

Out my window
the sun plays colors
on the world
I see them squashing
into trees and houses
images that if I were
to touch them they
would break
A friend screams
of reality
Black drop from
the window and his
girlfriend did this and
