

The adolescent choir. She wished to
Commune with the doctor's intellectual
Quietness, she cried solitary as a
Martyr to demolish Babel. She
Achieved this all and glimpsed
Millenia in hush, total engrossing
Cerebral silence following a sound
As final as the mint vault door closing.

.

Our heroine was totally down in a
Cool purple chromium rain the day
The package from the doctor came.
Her salvation and ticket to commercial
Stardom would be a heart rending and
Thrilling rendition of this all encompassing
Plot to the American public. A professional
Suburban couple has a mongloid child
And thier high fashion artsie-fartsie
World makes them unable to tend to
The mongie's needs. The child is
Already ten and going to mongie
School and relatively selfsufficient
But the couple can't reach down to
His emotional needs. Mrs. and thier
Doctor the mongie mentor, decide to
Adopt mongie number two to keep
Thier boy happy. Everything goes
