

To learn as he steps into his dream.

And the second day these predicates for  
The dream appeared and the sleep was  
Quick for those who could and unneeded  
For those who followed the tangents of  
Thier minds to extended thoughts

The third day broke and the  
Dream turned to the spirit, the  
Untouchable and unprovable.  
And there awoke a realization  
That the new model transfixing  
The physical found again in man's  
Imagination the same d sturbing  
Lack. The lack resultant from  
The gringing crush of a new  
Existence for the plastic  
Soul of man, a new grip on the  
All aspiring physical world  
The prior prod.

Gripping the physical split  
Mankind in two like his old  
Subject the hydrogen nucleus.  
One group backed into animals,  
And to hide the facts from thier  
Horrified eyes, sought bleeding
