

I do not know if my children are
more valuable than a whale.

When I have a new idea I
must tell someone before I burst

Women who wear large hats
are sexually aggressive.

I don't feel I am good enough to
ask the most attractive member of the opposite
sex at a party to dance.

I suffer constipation if I do not
get my way.

A job calling for travel excites me.

I would rather be a pug than a pit bull.

The best job in the world has to do
with dealing with people.

I always knew I would do great
thing if people recognized me.

Women have a fear of having
bathrooms handy.

Sexually active men are usually homosexual.

Education is more important the environment.

You cannot teach foriegners anything

I have to admit I am secretly greedy.

I only dream of sex with beautiful partners.

Gossiping is the root of all evil.

Institutions are more important than people

My throat gets dry when I ask for a job.
